**Planned Parenthood Hudson Peconic Action Fund Endorses
DuWayne Gregory for Suffolk County Legislature
Special Election for 15th District Seat to be Held on July 29**

The Planned Parenthood Hudson Peconic Action Fund (PPHPAF) today endorsed **DuWayne Gregory, candidate for the Suffolk County Legislature** (15th Legislative District), as 100% pro-choice.

“We are very pleased to be able to inform voters in Suffolk County that DuWayne Gregory is the candidate who supports reproductive health and rights issues,” said Reina Schiffrin, President/CEO of PPHPAF.

To receive PPHPAF’s endorsement, candidates must clearly affirm unconditional support for funding for reproductive health care services and the legal right to abortion, confidential family planning services for women of all ages, and fair access to contraceptives. Support was determined by candidates’ answers to a series of questions related to reproductive health and choice.

The PPHPAF was established in 2000. It is an independent, non-partisan, not-for-profit organization working in Rockland, Westchester, Putnam, and Suffolk Counties on political issues that affect reproductive healthcare and rights. Information about the PPHPAF is available on the web at www.pphpaf.org
